1. Summary of the primary business

Skytech Infinite Platform Limited specializes in providing comprehensive turnkey automation solutions, encompassing Design, Engineering, Supply, Installation & Commissioning (I&C), and Maintenance of various types of Control Panels from conceptualization to completion. Our company is engaged in the manufacturing of Automation Control Panels, with a focus on integrating Programmable Logic Controllers (PLCs), drive systems, switchgear, and sensors to streamline industrial automation processes and optimizing commissioning solutions for enhanced performance. These panels are meticulously designed and assembled to include components such as PLCs, drives, switchgears, sensors, and actuators. Each element is precisely wired to ensure seamless operation, efficient troubleshooting, and optimized commissioning of automated systems.

a. Business Overview - Products and Services

Our Product portfolio includes PCC Panels for power control, APFC Panels for automatic power factor correction, MCC Panels for motor control, VFD Panels for variable frequency drives, PLC Panels for programmable logic control and Control Desk Panel for efficient operation monitoring and management.

b. Industries Served and Typical Customers

We serve multiple industries, including Power, Water, Energy, Machine Tools, Infrastructure, Motor Management, Food & Beverages, HVAC, Chemicals & Pharmaceuticals, Automotive, and Process Industries

8. **Risk Factors**

1. We majorly sell our products in Karnataka and any adverse developments affecting our operations in these regions could have an adverse impact on our revenue and results of operations.

2. Our Company depends upon a Single Manufacturing Unit, making us vulnerable to local disruptions and operational failures.

3. Our raw material procurement is geographically concentrated, making us vulnerable to regional disruptions.

4. There are certain discrepancies noticed in some of our corporate records relating to forms filed with the Registrar of Companies.

5. Our Company, Directors, Promoters and Group Companies are parties to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.

6. There have been some instances of delayed filing of returns and depositing of statutory dues with regulatory authorities.

7. Our revenues are highly dependent on clients located in India. Any decline in the economic health of India could adversely affect our business, financial condition and results of operations.

8. Our company's clientele comes from various Industrial Segments, such as, Power, Furnace, Water, Pump Manufacturing, Oil and Gas, Pharma, Steel, Renewable, Software, Transportation etc. and therefore any downturn in these industries may adversely affect the revenue and operating profit of our company.

9. Our registered office and factory is located on premises taken on lease. If we are unable to renew these leases or relocate on commercially suitable terms, it may have a material adverse effect on our business, results of operation and financial condition

10. We cannot assure that our projects will be free from defects, which may adversely affect our business, financial condition, results of operations, and prospects.

For further details, see *"Risk Factors"* beginning on page 24 of RHP.
